

PLAY is life

The background of the central text features several black silhouettes of children engaged in various play activities. One child is hanging from a horizontal bar, another is climbing a vertical ladder, and others are playing with a ball, climbing a slide, and swinging. The silhouettes are integrated with the large white text, creating a sense of movement and play.

METAL-LINE

METAL-LINE

Coerentemente con la nostra filosofia, proponiamo una linea di giochi che rispondono ai requisiti di riciclabilità e resistenza agli atti vandalici per un inserimento nei contesti urbani.

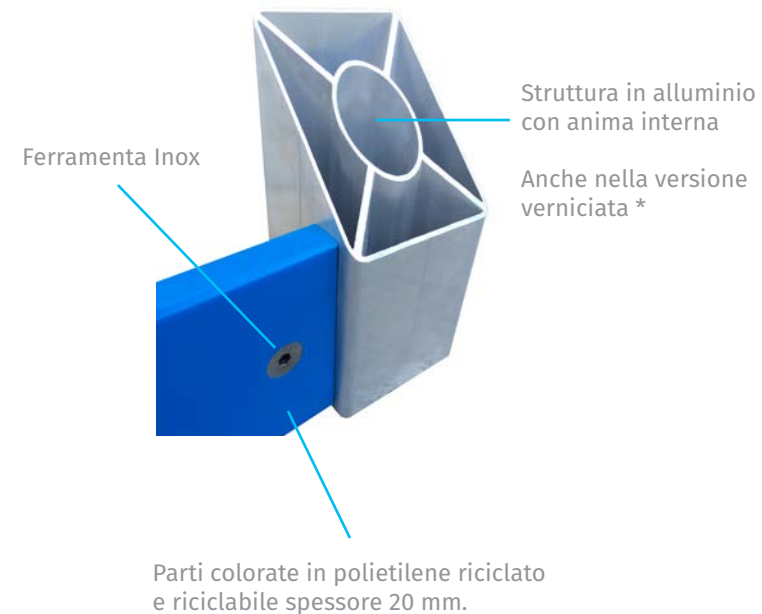

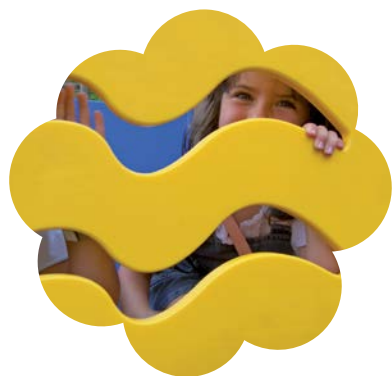

Le attrezzature inserite in questo catalogo sono costruite in alluminio, acciaio e polietilene riciclato e sono conformi alle norme EN:1176 per una comprovata durabilità e sicurezza.

ALLU-YOUNG: RESISTENZA E RICICLABILITA'

ALLU
YOUNG 
Exclusive

La linea giochi ALLU-Young comprende una gamma di attrezzi modulari costruiti con struttura in alluminio sezione 90x90 mm con nervatura cilindrica interna. Questa particolare costruzione consente un ottimale collegamento al terreno e garantisce la massima resistenza alle sollecitazioni.

PLAY FOR ALL

LEGNOLANDIA

GIOCHI INCLUSIVI

La maggior parte dei giochi proposti da Legnolandia rispetta le **linee guida della Comunità Europea** sull'inclusività. Per gioco inclusivo si intende un'attrezzatura che può essere utilizzata da una vasta gamma di utenti aventi diverse abilità, senza adattamenti particolari, senza progettazioni speciali.

La differenza tra un gioco inclusivo ed un gioco per disabili parte quindi dalla progettazione, studiata per consentire ai bambini di divertirsi assieme, senza barriere e senza divisioni. Il progetto **Play For All** offre la possibilità di creare parchi gioco fruibili non solo da utenti affetti da disabilità (forma segregante) ma bensì da bambini aventi ogni tipo di abilità, tutti assieme in modo inclusivo, indipendentemente dalle loro capacità fisiche e mentali. Il tema è oggetto di studio da parte del CEN (European Committee for Standardization) e della **FEPI** (Federation European Play Industry) di cui Legnolandia è componente attivo.
